

WORD given at New Life Christian Center

June 10th, 2024

To Pastor Glen Kline

When the kingdom of God is within you, why do you look all around to try and find it, for it exists in you. Why are you surprised by how I speak to you inside you? Why are you confused by your own voice saying, is this you, God? This is me, says the Lord, speaking from within. Know that I live there to give you instruction, to give you understanding, and to give you encouragement, and to exhort you to walk in the fullness of all that I've placed in you, says the Lord.
